COPPA PIAVE REVIVAL: REGISTRATION CLOSES IN ONE MONTH

Treviso, 03/22/2024 | The countdown has begun: there is only one month left until the registration for the historic 35th edition of the Coppa Piave Revival closes. The event, organized by the Piave Jolly Club, will be held on May 4th and 5th, 2024, in the enchanting setting of the Centro Sportivo Lago Le Bandie in Lovadina di Spresiano (TV).

The Coppa Piave Revival is more than just a competition: it's a celebration of the history of motorsport dating back to 1949, uniting the passion for modern and historic cars in a tourist regularity challenge, under the aegis of ACI Sport and valid for the UNVS National Championship.

With an unprecedented course of over 190 km weaving through the beauty and history of the Treviso area, including Montello and the Prosecco hills of Conegliano, a UNESCO World Heritage Site, the Coppa Piave Revival promises to be an unforgettable edition. The event is open to youngtimer and modern cars (from 1991 to today) and historic vehicles (up to 1990), offering all enthusiasts the opportunity to test themselves in a unique context.

The awards ceremony will take place on May 5th at the Thai Si Hotel & Royal Thai Spa, featuring acknowledgments for the top three positions in each category and grouping, and special prizes including the Power Stage, the best female crew, the best under 30 crew, the Precision Award by Proattiva, and a prize for the crew with the absolute least penalties.

This year, thanks to the support of partners Fassina, Thai Si Hotel & Royal Thai Spa, Serena Wines 1881 Winery, Proattiva, Kayak, and the Centro Sportivo Lago Le Bandie, as well as the patronage of the Veneto Region and the Municipality of Spresiano, the Coppa Piave Revival is set to be more exciting than ever.

For detailed information on the program and registration modalities, we invite you to visit our official website at piavejolly.com/coppapiave.
